

SpaFinity™

Peace of mind for the client, technician, and spa-owner.

SPAFINITY™
PEDICURE EQUIPMENT

MYRIAD

A BEAUTIFUL SYSTEM FOR A MYRIAD OF TREATMENTS!

SEATING

- Stressless swivel chair with locking recline
- Luxurious Ultraleather, available in 12 standard colors with optional cording.

BASE

- In 10 standard laminate colors or with a choice of 7 marine grade stains.
- Has adjustable feet on bottom to assure stability.
- Myriad can be moved to different locations, does not require any permanent attachments to floor or walls.

PULL OUT PLATFORM

- Offered in a variety of fabulous colors to match décor.
- Travels 6 inches to give the client a comfortable position for any use with a locking mechanism to secure it in place during treatment.
- GREENGUARD® Certification assures building professionals that Wilsonart Solid Surface products meet low-emission guidelines for chemicals and particulates, making them the superior, environmentally friendly solution for beautiful, durable indoor applications.
- Wilson Art Surfaces are designed for medical, dental, hair salons & photo processing establishments and holds up to harsh chemicals.
- Gibraltar is 100% acrylic based solid surface material with color retention
- Hardware inserted on top to help keep technicians products in place during treatment.
